

Have you ever felt the remarkable power and energy of a Mastermind group?

If you have, then you know that even one turn in a Mastermind hot seat can pivot you towards more money and accelerated results.

I am very excited to see you on **Friday March 23rd** at the Magnificent You Conference Mastermind held at the Inlet Theatre in Port Moody. My name is Michela Quilici and I will be your MY Mastermind facilitator. I want to share with you some details you need to know and an outline of what to expect. *Please read through this entire email.* I know it's long, but it will help you have an excellent experience.

As part of your investment in your MY Success Pass for the Magnificent You Conference, you qualify for a \$500 guest seat in the Magnificent You Mastermind.

Please note we limit the number of people in this session, so that each participant gets time to focus on their individual goals and business growth opportunity.

Here's how it works:

- You'll need to be able to communicate a clear and focused 60-second introduction about yourself. We want to know: your name, business name, what you offer, and who your ideal client is.
- Each person shares ONE business challenge or opportunity in a friendly, non-competitive environment.
- I help you clarify what a successful outcome would be like for you

from the brainstorming roundtable.

- As a group, we focus on your specific opportunity, brainstorming around the table for about 5-7 minutes, and sharing our collective insights, ideas and perspectives.

What do you get from the Mastermind?

- You leave with fresh perspectives and powered-up focus.
- You'll feel more confident, creative and innovative (perhaps you'll even find that 'million dollar' idea).
- By listening in to each of the other Mastermind members you gain priceless insights and wisdom to apply to your own business.
- You will make new connections with potential clients, collaborative partners and gain access to business resources for growth.

What to bring with you?

- Your business cards
- A pen and paper
- Your verbal introduction and your business challenge

What's the event format?

We have an agenda and the expectation is that we start on time and you remain for the entire session.

- Open Networking 3:45pm until 4pm
- Start promptly at 4pm
- Introductions
- Mastermind roundtable
- Wrap up at 5:30pm

I look forward to seeing you there!

Michela
